

### **What Our Guests Are Saying...**

Christmas Party, December 2024: "I think it's safe to say that the feedback received so far has been overwhelmingly positive. The beef sliders went down an absolute treat and I actually thought the food was 10x better than what they delivered at the tasting. I had the beef and the mac n cheese and I thought both were delicious. For once, people have been commenting on the abundance(!) of food being offered on the night, which I think might be a first."

Christmas Party, December 2023: "I wanted to say thank you to you and your amazing team for last night. People are saying it was the best party for 13 years so we did something right! Your staff, especially your door staff, were amazing and so helpful and attentive. Please pass on our thanks to everyone involved."

Private Dining Room, October 2023: "Thank you after our event yesterday. Everyone had a wonderful time; the food was delicious; the room was perfect and the service was excellent. We thanked your colleagues yesterday, but wanted to follow up again with another big thank you - in particular to Claudio and Heather who were outstanding from the second we arrived. We'll definitely remember Quaglino's for future events and will recommend it for any other colleagues at Dojo looking to do a similar meal."

Private Dining Room, July 2023: "Beautiful atmosphere. The food was absolutely delicious, and every dish looked like a piece of art. Stunning presentation. We are so happy that we booked the Private Dining Room with you and can't wait to come back!"

Private Dining Room, July 2023: "Just wanted to say a BIG THANK YOU! Heard nothing but positive things about the dinner. Thanks so much and I hope we can do it again soon."
